

Values, Vision and Aims

Values

Learning today for living tomorrow.

Vision

‘Equipped with the skills:

- to lead happy and successful lives in a changing world.
- to live and work in harmony with others.
- to enjoy a lifelong love of learning.’

Aims

We will provide pupils with a safe, secure and happy school life in which each individual is valued and is provided with an equal opportunity to achieve success.

We will offer a caring, disciplined and tolerant Christian community.

We will provide children with a broad, exciting and challenging curriculum that is relevant to their community and the world at large.

We will strive to achieve high standards in all that we do and will recognise the contribution of each individual by encouraging strength and supporting weakness.

We will ensure that, by the end of Year 6, pupils leave the William Alvey school with:

- A standard of skill and knowledge in English, mathematics, science/technology, the arts and humanities which is commensurate with each child's potential.
- An intrinsic love of learning.
- A recognition of and tolerance for the rights of others.
