The practice papers are representative of the actual 11+ tests but they are not identical. The actual tests may include item types that are not in the practice papers and the practice papers may omit item types that are in the actual tests.

The practice papers give pupils the opportunity to familiarise themselves with the general nature of the tests and to practise aspects such as following instructions carefully and working against a time limit.

The Grammar Schools in Sleaford also provide access to sample practice papers via the 'Frog' online learning platform. Individual usernames/passwords will be issued to those registered to take the 11+ tests later in the year.
