William Alvey C of E School

Learning Today for Living Tomorrow

We are all seeds in the Alvey garden.
I will soak up knowledge to reach my full potential
so that I am learning today for living tomorrow.

OUR ENRICHMENT JOURNEY

Our whole-school journey is rooted in aspiration, tolerance, respect and resilience. Through rich experiences, meaningful relationships and opportunities to explore, create and grow, every child is encouraged to embrace new challenges, celebrate differences, treat others with kindness and develop the confidence to flourish.

Bluey Trip to Belton

OUR ENRICHMENT JOURNEY

William Alvey C of E School

Learning Today for Living Tomorrow

At William Alvey, we are all seeds in the Alvey garden. Our enrichment entitlement ensures that every child experiences, revisits and builds upon opportunities across all five strands. Just as every seed needs the right conditions to flourish, we nurture each child's curiosity, confidence and potential through increasingly ambitious experiences. From their earliest beginnings in Early Years to Year 6, children are supported to grow from participants into contributors, leaders and courageous advocates, preparing them for living tomorrow.

COMMUNITY

Specialist Base	EYFS	Y1	Y2	Y3	Y4	Y5	Y6
